

WANTED!

A FEW GOOD STUDENTS!!

The Wait List Clinic at Canadian Mental Health Association

The Wait List Clinic at Canadian Mental Health Association London Middlesex is a nine month program that will use student volunteers to provide counseling to clients waiting on mental health wait lists under the live supervision of a clinical psychologist. Students from a variety of academic institutions and disciplines will be provided with a full orientation and will gain valuable training and work experience. In addition to volunteer student counselors, we are recruiting volunteer student security and receptionists.

Students must:

Complete a police reference check

Commit to providing service at the clinic from January to August 2012

Be available Monday or Tuesday evenings from 5 to 10 p.m.

Be actively enrolled in an academic programme and be registered for course credit for their participation at the clinic with their school..

If you or someone you know is interested, please contact Dr. Felicia Otchet at (519) 630-1863 or fotchet@hotmail.com
